Janesville Winair and Maxitrol will be presenting a training seminar on gas regulator sizing , installation, and line pressure regulator standards. With the advent of high efficiency equipment overwhelming the market, correct gas pressure/regulation is critical. The Class Will Be Presented Tom Canfield, Maxitrol's Product Trainer And Specialist.

Tom's Presentation Will Cover:

- Proper Sizing And Installation
- Selecting The Proper Regulator For The Application
- Troubleshooting
- Venting. When And Why?
- Review Of ANSI Standards For 2# And 5# Line Pressure
- One Certified Line Pressure Regulator Guide Book For Each Attendee
